Thank you for all the people volunteering for the upcoming season.

Large incoming freshman group

Players or parents may want to follow Coach Brown's twitter feed for most current information

Possibly order a 2-man sled this year (\$3000) and endzone camera

Lifting continues in 3 groups for all athletes, not just football athletes

Weight room will open up by Coach Brown twice a week before school once Spring sports begin.

38 players are squatting 300 lbs; 8 players squatting 400 lbs; 7 freshman over 200 lbs

Speed is also worked on weekly

During the FB season goal is to maintain strength

Focus is on "we" not "I" and teamwork

FB camp week of July 19-22 with picnic on the 22nd should be priority

All games in our conference will be on turf this year for all levels

All the coaches are returning (possibly Coach Wiske too)

7 vs 7 at the Rock was expensive-so we're not doing that

Pasta night: **Christy Cool** (Thursday nights in cafeteria)

Max Trinko update: Jen and Mark Trinko

Max has been going through treatment for cancer. During December through January Max underwent 9 weeks of chemo; In february he went to the Mayo clinic for lymph node dissection in abdomen; doctors think they got everything, 2 weeks ago needed more surgery for kidney stones. Keep Max in your prayers. The Trinko family thanks you for all the support and fundraisers. See [caring bridge site](#) for more information.

Next Meeting: Tuesday, April 13th (8th Grade Families at 6:30/ Gridiron 7pm)
