**Meeting Began:** 7:04 pm

**Accepted Meeting Minutes from last meeting:**

**Welcome and Introductions:** Heather Goldberg

**Financial update:** Patrick Harris raised 18,100 from Gold Cards. Down from last year, but overall Pat budgeted 35,000 in fundraiser. We raised \$37,000 between cards and golfing. Bought drone and headsets. Paid for the first sub meal for Varsity. Not many expenses this year. Potentially having \$25,000 in surplus at the end of the year. **Next year Gridiron will need a new treasurer for next year. If you know anyone interested talk to Pat Harris**

Are there big ticket items needed next year? Should we put \$ aside for big ticket items? Coach stated there may not be many things needed.

**Gold recap:** Heather Rivard stated that she recruited the same team for next year and Heather Rivard reserved August 7th at Muskego Lakes for next summer.

**Banquet:** Will be up to the health department but right now no banquet. We may possibly be able to have Senior banquet with no buffet. Waiting for Mr. Hein to clarify on the banquet. Karen Hartje stated that the senior parents would like the banquet to be as "Normal" as it has been in the past. She would like all the players to be recognized if possible. Budget might be the same with t-shirts, socks, senior gifts, manager gifts, coaches gifts. Karen Martens stated that coaches gifts can not be paid out of the budget. Shirts are fine to purchase through the budget.

**Banners are all set!** Thank you Fran Smith for coordinating this.

**Parent Night:** Karen Hartje reported that parent night will not be happening. Varsity Buttons are made and ready to be picked up. Kids need to go to Mr. Hein to pick up the button. Madeline is working on JV/freshman buttons. Will be available for the game against Oak Creek.

**Senior night** will occur in a home game against Oak Creek.

**Charity 2020:** Karen Hartje stated that seniors chose the military as the theme for the year. LIFTFORTHE22. Average price for the shirt \$6 and sell for \$12. Goal is to get the shirts by October and possibly wear them during playoffs. Ordering will occur online. Question: is there a free will donation available for this organization? Pat will check on that.

**Coach Brown update:**

- Thank you to Heather Goldberg and Pat Harris for helping with the program.
- So glad that we were able to coach the kids
- Mr. Hein is fighting for our players including the ability to have 4 fans for each player
- No COVID cases but 19 players are quarantined at the varsity level
- Players are anxious but are doing the right things by wearing the masks and rotating every 15 minutes to minimize the amount of contact
- Kids are getting COVID mostly out of school so it may be good idea to keep to small groups outside of school right now.
- Freshman and JV will have 2 more games
- Marquette would like to play Franklin during the buy week (next week)-Coach is working on this with Mr. Hein
- Many games cancelled across the state each week
- If we play 4 games, there is no Spring option. If it gets shut down before Oak Creek, then we could have a Spring league

**Meeting adjourned:** 7:55 pm
